

Autodesk Hong Kong

# BIM Awards 2019

GUIDELINES FOR  
EDUCATION CATEGORY

## EDUCATION CATEGORY

This year will be the 13<sup>th</sup> Building Information Modelling Awards (BIM Awards), organized by Autodesk Far East Limited. The annual BIM Awards aims at recognizing professionals and educators in the building industry, who are driving the industry's transformation through the use of building information modelling (BIM), and shaping the industry towards a more efficient and sustainable era.

The category is open to current students of Building, Infrastructure, and/or Construction-related faculties in an education institution in Hong Kong and Macau.

# HOW TO APPLY

## Eligibility:

- Students in related faculties (Building, Infrastructure, or Construction)
- Includes an application of Autodesk technology in your project submission

## Download:

- Registration Form – [download](#)
- Project Report Template (MS Word Document) – [download](#)

# JUDGING CRITERIA

The winning submission will be determined based on the following criteria:

## Details and quality of the model

- Revit family management, link model management, etc.

## Model for analysis or simulation

- Solar study, heating and cooling load analysis, CFD simulation, etc.

## BIM collaboration

- Application of cloud collaboration in the project (A360 or BIM 360)

# MATERIALS FOR SUBMISSION

## Registration Form

- Applicants must complete in English and sign the registration form.
- The information submitted should be accurate to the best knowledge of the applicants.

## Supplementary Materials

**Project Report in MS Word document (max. 10 A4 pages)** includes the following aspects:

- About BIM Project
- About BIM Usage
- Other Supporting Information

\*At least one material in the following format should be submitted as supporting materials:

- MS PowerPoint, or
- One (1) video (max. 3 minutes), or
- FormIt / Revit / Infrastructure / Civil3D model

# TIMELINE

\* The above timeline would be adhered to the Awards Management's best effort and will be adjusted in case of circumstances beyond control at the discretion of the management.

# SUBMISSION DEADLINE: 8 AUGUST 2019

## Submission Checklist:

- Registration Form
- Project Report (MS Word Document)
- Supporting Materials

## Submission Method:

- Email: [sharon.chan@autodesk.com](mailto:sharon.chan@autodesk.com) or;
- Autodesk® A360 Drive Account: <https://360.autodesk.com/Login>
